Sri M. C. NARASIMHAN.—May I know what is the tax effort and the anticipated tax revenue during the Second-Plan period?

Sri B. D. JATTI.—A separate question may be put.

Sri J. B. MALLARADHYA.—The Chief Minister was pleased to say that in respect of the year 1958-59 certain non-plan items of developmental expenditure had been included, but I want to know whether in the original plan drawn up for this year in the Second Plan those items of expenditure were included and how can you take credit for that expenditure as new items.

Sri B. D. JATTI.—Replies are not given with a view to take credit. They are given only to place facts before the House.

Sri J. B. MALLARADHYA.—My question is this. In the original plan of Rs. 145 crores drawn up for the Second Plan, certain items of expenditure were included. If the explanation given by the Chief Minister is accepted it would appear that they have spent more than the stipulated expenditure in regard to plan items. I want this to be made very clear to the House. I want to know while calculating the figure of Rs. 25.6 crores for 1958-59 what is the total amount of non-plan expenditure included and what happens to the legitimate items of expenditure included in the original plan approved by the Legislature.

†Sri T. MARIAPPA.-Unless a definite question is put it is difficult to answer it definitely, but all the same I would like to answer it. As the House is aware, we were all agitating for inclusion of certain non-plan expenditure of a developmental character like restoration of tanks, etc., in plan expenditure. We explained to the Planning Commission that this was really developmental expenditure and there unless it was included in the developmental expenditure it would not be possible for us to find the resources both for plan and non-plan expenditure. Ultimately the Planning Commission saw the reasonableness of our request and they included it in plan expenditure as it is developmental expenditure.

Sri J. B. MALLARADHYA.—My question has not yet been answered. I am not objecting to the inclusion of non-plan items of expenditure in plan expenditure with the approval of the Planning Commission, but my question is what happened to the other items of expenditure equal to the amount of non-plan expenditure which is now included in the Second Plan ?

Sri T. MARIAPPA.—The whole thing gets merged and it becomes plan expenditure.

Sri J. B. MALLARADHYA.—So to that extent the State plan was reduced in its magnitude.

Sri B. D. JATTI.—The size of the plan has not been reduced. Items also have not been cut down. What ought to have been named as non-plan expenditure was now allowed to be included in plan expenditure.

Sri J. B. MALLARADHYA.—It is a very important question so far as the State is concerned.

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—50ಕೋಟಿಯಲ್ಲ, ಎರಡು ಮೂರು ಕೋಟಿ ಅಷ್ಟೆ.

ಶ್ರೀ ಜೆ. ಬಿ. ಮಲ್ಲಾರಾಧ್ಯ.—ಸ್ಕೇಜ್ ಆಫ್ ದಿ ಪ್ಲಾನಿನಲ್ಲಿ ಅದನ್ನು ಸೇರಿಸದಿದ್ದರೆ ಇನ್ನು ಎರಡು ಕೋಟಿ ಜಾಸ್ತಿಯಾಗುತ್ತಿತ್ತು.

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ನಾನು ಹೇಳಿದ್ದು ಅವರಿಗೆ ಅರ್ಥವಾಗಿದೆ. ಅವರು ಹೇಳಿದ್ದು ನನಗೆ ಅರ್ಥವಾಗಿದೆ. ಅವರು ಸುಮ್ಮನೆ ಚರ್ಚೆ ಮಾಡುತ್ತಿದ್ದಾರೆ.
